

MAXIMISE SALES AND MINIMISE COSTS

INNOVATION IN REFRIGERATION

Specialist Glass Door Insert Manufacturer

●●●●● Viewing Panels

Maslen Australia manufacture a large range of standard size viewing panels to suit both low and medium temperature applications.

- Features fixed face for easy installation using Maslen's concealed fixing technology
- Double sided frame to all wall thicknesses which eliminates the sill for health requirements
- Double or triple glazed, heated and non heated glass, heated fascia option
- Non standard custom sizes available on application
- Improve safety by installing a viewing port for coldrooms and/or personnel entry doors
